

CareForTheTroops EMDR Training Scholarship Application

CareForTheTroops(CFTT) Scholarship Criteria

It is the intent of CFTT to incent attendance of both EMDR Training Weekends (Part I and Part II) in order to increase the number of fully qualified EMDR Therapists to treat trauma in Georgia. Participants must:

- Practice in Georgia
- Attend and successfully complete both Part I and Part II EMDR training by HAP
- Enroll in the CareForTheTroops Therapist Database at the completion of Weekend 1 and stay enrolled at least 2 years. More Info about this is available at www.careforthetroops.org/clinician_cftt_enroll.php
- Be willing to work with military clients and their extended family members
- Pay the HAP Training Fee for Part I. CareForTheTroops will pay the \$350 HAP Training Fee for Part II which means you must attend a HAP Part II
- Attend and complete Part II within 12 months of completing Part I
- Be responsible for all other costs, fees, and expenses associated with the training weekends.
