

EMDR TRAINING

Weekend 1 (Part I)
June 24-26, 2011
Brunswick, Georgia
Weekend 2 (Part II)
Oct 14-16, 2011

The EMDR HAP (Humanitarian Assistance Program) Training organization (www.emdrhap.org) will conduct Weekend I and Weekend II training on the dates shown above. The training will be in Brunswick at Gateway Behavioral Health Services (<http://www.gatewaybhs.org/home.htm>), a Georgia Community Service Board Association member organization, 600 Coastal Drive (Blue Building), Brunswick, GA 31520.

This training is jointly sponsored by the CareForTheTroops, Inc. organization (www.CareForTheTroops.org), The Georgia Association of Community Service Boards (www.GACSB.org), and GAMFT (www.GAMFT.org).

- ★ AUDIENCE: This training is for licensed or licensable counselors working in a non-profit, government, prison, or hospice environment. Specific details are available at: www.emdrhap.org/training/.
- ★ COST: \$375 for each weekend. Lodging and meals are the responsibility of the participant.

- ★ SCHOLARSHIPS: If you wish to apply for the CareForTheTroops scholarship it must be done **BEFORE attending Weekend I**. Go to www.careforthetroops.org/emdrevents_brunswick.php to apply. Download the Application Document, complete and email or mail it to the address shown on the document.

Additional information about this weekend such as schedule, lodging, restaurants, etc. can be found at the following web location: www.CareForTheTroops.org/emdrevents_brunswick.php .

HAP Participant Requirements
EMDR PART I AND PART II are available for licensed mental health clinicians at the masters degree level or above, or for masters level clinicians on a licensure track, with permission of their licensed clinical supervisor. In keeping with its mission, HAP normally trains only clinicians working in community based non-profit, government, prison, or hospice settings.

This training is intended for therapists that work primarily in one of the setting specified above. It is **not** intended for therapists who work in private practice. You will be asked to get a **HAP Participation Agreement** form signed by a supervisor attesting to that fact.

CareForTheTroops(CFTT) Scholarship Criteria
It is the intent of CFTT that enrollees attend both EMDR Training Weekends (Part I and Part II) in order to increase the number of fully qualified EMDR Therapists to treat trauma in Georgia. Participants must:

1. Practice in Georgia
2. Attend and successfully complete both Part I and Part II EMDR training by HAP
3. Attend the 2 hour Consultation Conference Calls conducted after Weekends I and II that are scheduled by the HAP office.
4. Enroll in the CareForTheTroops Therapist Database at the completion of Weekend 1 and stay enrolled at least 2 years. More Info about this is available at www.careforthetroops.org/clinician_cftt_enroll.php
5. Be willing to work with military clients and their extended family members
6. Pay the HAP Training Fee for Part I. CareForTheTroops will pay the HAP Training Fee for Part II which means you must attend a Part II by HAP
7. Attend and complete Part II within 12 months of completing Part I
8. Be responsible for all other costs, fees, and expenses associated with the training weekends.
